Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant's representatives asked Examiner for the explanation of the rejection of claim 9 specifically how the Khanna et al. prior art teaches about outputting an enable signal a CAM device having the highest priority. Examiner requested Applicant's representatives to present this argument in the next official response; and in response to that Examiner will either specifically point out lines and column(s) of the Khanna et al. prior art or withdraw the rejection in view of Khanna et al. prior art..
